## All Safe Global, Inc. Announces New Logo, Brand Identity

All Safe Global, Inc., a worldwide master distributor of compressed gas equipment and accessories, is proud to introduce a new logo and brand identity that celebrates the broad international capabilities of the company.

For more than 40 years, the company has delivered superior products and innovative solutions to the U.S. and international markets under the All Safe banner. Effective immediately, the company introduces a new, modern logo encompassing the company's scope and momentum.

“Our new brand identity speaks to who we are after decades of continued growth and expanded global presence – a dynamic, market-leading company with worldwide reach” said Matt Boettner, President and CEO. “While our visual identity has evolved, the core elements of our success – exceptional product value and outstanding service – remain the same. Our mission continues to be worldwide improvement of packaged gas consumer satisfaction by providing customers with value-driven equipment solutions and exceptional customer service.”

Our operating company continues to be American Cylinder, Inc. doing business as All Safe and All Safe Global. The terms and phrases All Safe, All Safe Global, allsafe.net, AMCYL, ASG, @allsafeinc, @amcylproducts, amcylproducts.com and the associated logos and depictions thereof are trademarks of American Cylinder, Inc.
