SANKEY KEGS

ASG provides high-quality Sankey ‘D’ kegs to discriminating craft brewers nationwide. Made in an ISO 9001-certified facility from 304 beverage-grade stainless and warrantied for trouble-free use. All sizes include either Micro Matic ‘D’ or Taprite ‘DSI’ spear.

Full in-house keg customization services are available - we can screen print, wrap, stencil, or adhesive label kegs with your name, logo, and more.

We’re also proud to offer a keg lease-to-own program, with easy application and flexible terms to fit any brewery. Customization can be included in every lease.
