

FULL LINE AEB BALL LOCK KEGS

For more than 20 years, Italian-made AEB ball lock kegs have been the standard of excellence worldwide. NSF-approved, food-grade 304 stainless steel kegs are manufactured in an ISO 9000 facility, feature a rubber boot bottom, and are available with single steel or dual rubber handles.

Full keg customization is available from All Safe Global. AEB kegs can be screen printed, wrapped, stenciled, or adhesive labeled with your logo, brand, or text.
