NITROGEN / BEER MIX / G-MIX SANKEY KEGERATOR KIT

All Safe Global is proud to present a versatile kegerator kit designed for stout beer, ale, and lager lovers. Includes everything for a great chilled beer with perfect cascade and froth — just add a cylinder of nitrogen or G-mix/beer mix and a favorite Sankey keg.

Ultimately flexible, the kit is ready for any size cylinder and 1/6, 1/4, or 1/2 barrel kegs. It also provides unlimited possibilities for other beverage lovers, pouring exceptional nitro coffee as well as other nitrogen-delivered beverages.

This and other fine kegerator kits are available now, and only at All Safe Global.
