USED CYLINDERS WANTED

Do you have unwanted cylinders taking up valuable space? Clean up your facility and make ASG your solution.

We are actively receiving serviceable out-of-date steel and aluminum cylinders previously in-service for CO₂, helium, nitrogen, argon, LP, and many other high pressure gases.

Pick-up service available within ASG truck route.

For more than four decades, All Safe Global has been the leading name in compressed gas cylinders, valves, parts, accessories, and cylinder testing and requalification.

With multiple nationally recognized DOT approved testing facilities and Ultrasonic Examination (UE) capabilities, ASG is your best choice for cylinder recycling and refurbishment.
